Nanta Tech Limited

Establishment of New Corporate Office to Support Operations

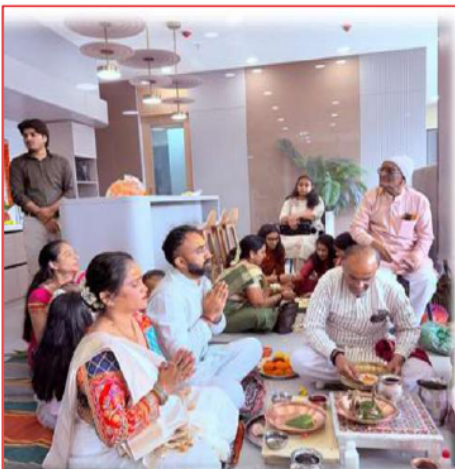

We are pleased to announce that the Company has officially inaugurated a new corporate office at **Office Nos. 205-207, Shivalik Sharda Harmony, IIM Road, Near Panjrapole, Ambawadi, Ahmedabad, Gujarat - 380015** on **23rd January 2026**.

The newly inaugurated office has a **seating capacity of approximately 60 personnel**, with **24 employees currently operating** from the premises. The office will primarily house the **administration, sales, pre-sales/design, marketing, and inside sales teams**, and will function as a key operational hub to support the Company's business activities.

The establishment of this corporate office is aligned with the Company's objective of strengthening its organizational infrastructure, enhancing coordination across functions, and supporting responsible and sustainable growth.

The Company expresses its gratitude to all stakeholders for their continued support and trust and looks forward to the opportunities arising from this expansion.

Photographs of the inauguration ceremony are enclosed for information and record purposes.

Nanta Tech Limited

About Nanta Tech Limited

- Incorporated in June 2023, **Nanta Tech Limited** is an integrated technology solutions company offering **Audio-Visual (AV) integration services, AV product deployment and support, service robotics solutions, and software & AI services.**
- The Company provides end-to-end AV solutions including design, supply, installation, commissioning, and annual maintenance, primarily catering to B2B clients across corporate, education, hospitality, and manufacturing sectors.
- Through its **ALLBOTIX** brand, Nanta Tech delivers customized service robots for cleaning, delivery, greeting, and logistics applications, supported by in-house software development, automation, and AI capabilities.
- With strong in-house technical expertise, the Company focuses on delivering integrated digital and physical solutions that enhance operational efficiency, productivity, and customer experience.

Safe Harbour Statement

Any forward-looking statements about expected future events, financial and operating results of the Company are based on certain assumptions which the Company does not guarantee the fulfilment of. These statements are subject to risks and uncertainties. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry, global or domestic or both, significant changes in political and economic environment in India or key markets abroad, tax laws, litigation, labor relations, exchange rate fluctuations, technological changes, investment and business income, cash flow projections, interest, and other costs. The Company does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date thereof.
